The security of the Nation has been compromised.

Why it is being compromised we want to know because it is pretty obvious that the selfish convenience of politics has won over conviction. There was no conviction in that alliance and now the BJP and the Government have to come clear on this.

The Prime Minister needs to come and explain to us that this is not just being a part of government there. It is not just the PDP and the BJP being part of the government. My country's security has been compromised.

Please answer why?
